Happy New Year 2021

*Takes a Village to
Raise a Child*

EGSLSC have had a busy 20/21 season. Prior to commencing Patrols, members of the club were gaining valuable training, education & requalifying in order to keep our beach safe during the season. More courses are being offered in late January/February – please see white board upstairs in clubhouse for details.

What's New!

20/21 Patrolling season is our first to include the SLS Red/Yellow Phantom Drone which you hopefully have seen in the sky while out at Twilight (Wind Permitting!) The Club has recently purchased additional Gath helmets to increase member's safety while using the IRB and Jet Ski. Windproof Jackets are on their way for patrolling members to keep warm, we seem to be experiencing excessive amount of wind in Esperance this summer!

We had four lovely visitors from Cottesloe SLSC on Sunday, 3 January join us for Club Swim, Coffee & Sausage Sizzle.

*Many hands make light
work!*

What's the Norm?

Woodside Nipper/Youth/Senior Training & Patrols

Most Sunday mornings, from 7.00am during the season, you will find the Club hustling & bustling for carpark space in order to participate in Surf Sport, Patrols, & Woodside Nipper Program. Due to safety concerns & limited space available, *please*, Woodside Nipper parents park at Twilight Beach Public Car Park.

Club Swim – available for all SLS members

10.30am – enjoy the banter amongst club members whilst lining up on the start line & swimming to finish together!

Hi Viz vests are to be worn by all members during Club Activities.

.On the Horizon.

Sunday, 10 January – No Carnival activities as previously scheduled due to Competition Director being unavailable, normal program. Confirmation has been received that Kool Cones are visiting the clubhouse, bring \$\$\$. Sunday forecast is for warm weather (hopefully less wind)!

Friday, 15 January – EGSLSC 30th Birthday Celebration Sundowner

5.30pm-9.30pm Bar Open, Nibbles, Food available to purchase, Music, Photobooth, Bouncy Castle, BYO travel glass & some old yarns! Please feel free to invite any old members. RSVP via Facebook page for catering purposes.

Our Club Needs You 😊

We are desperately searching for a **Building & Maintenance Officer** to carry out the odd jobs list! If you think you could assist or know someone who could, we need this special person. Have a chat with Kelly to find out what's involved.

Just a Quickie...

...during January we may have less Age Group Managers & Water Safety available and may need to modify the Woodside Nipper Program, possibly at last minute in order to keep our Nippers Safe. We thank you for your understanding in this matter.
