SURF LIFE SAVING CLUB

Hey Everyone

This weekend it all begins for another season!

Could all nipper parents please park in the Twilight beach carpark.

The Rainbow Coast development carnival in Bremer Bay is not far away, please ring the Bremer bay caravan park to book your accommodation/camp site if you are keen to attend.

Senior members and nipper parents bring along your loose change this Sunday, not just for our delicious sausage sizzle, but we will be running a Melbourne Cup sweep.

Cadet's just a reminder nomination for Rise up and TOAD development camps close on Sunday.

Cadet parents, it would be appreciated if 1 or 2 of you could hang around at the club house to act as spotters for the cadet session during the season.

And a friendly reminder for those of you that are using the club facilities, please respect the club, yourselves and other members by leaving the clubhouse neat and tidy when you leave.
